

Magnetic Cereal

Supplies:

Cereal, 3 kinds (Cheerios, Total, Mini Wheat)

Plastic baggies

Paper Plates

Magnet

Directions:

- 1.) Pour the first type of cereal in a plastic baggie and seal it.**
- 2.) Smash the cereal in the baggie until it is completely crushed into dust.**
- 3.) Pour cereal dust onto a paper plate.**
- 4.) Take a magnet and wave it over the cereal dust, close but not touching it.**
- 5.) Observe what happens.**
- 6.) Repeat steps 1-5 with the two other cereals.**
